OFFICE OF PETITIONS

Sir:

The above-identified application became abandoned for failure to file a timely and proper reply to a Notice To File Corrected Application Papers dated March 26, 2001. The date of abandonment is the day after the expiration date of the period set for reply in the notice.

**APPLICANTS HEREBY PETITION FOR REVIVAL OF THIS
APPLICATION UNDER 37 CFR 1.137(b).****FACTS**

1. U.S. Patent Application No. 09/759,151 was filed on January 16 2001, together with a Declaration and Power of Attorney (copy of the latter enclosed) executed by the two named inventors. Receipt of the signed Declaration was acknowledged in the postcard receipt bearing the PTO mailroom datestamp of January 18, 2001 (copy enclosed). See M.P.E.P. § 503. The Declaration indicated that correspondence should be sent to Katten Muchin and Zavis, Applicants' attorneys at that time

2. On March 26, 2001, a Notice To File Corrected Application Papers (copy enclosed), requiring substitute drawing sheets, was erroneously mailed to

Jerry Umbro, 14 Sombers Drive, Rhinebeck, New York 12572, who has no connection with this application.

3. Applicants filed a Revocation and New Power of Attorney and Removal of Small Entity Status, which was received by the U.S. Patent, and Trademark Office on July 26, 2001, appointing the attorney associated with Marvell Semiconductor Inc., Customer No. 23624. Receipt of the Revocation and New Power of Attorney and Removal of Small Entity Status was acknowledged in the postcard receipt bearing the PTO mailroom datestamp of July 26, 2001 (copy of each is enclosed).

4. On January 22, 2002, Applicants received a Notice Regarding Power of Attorney from the U.S. Patent and Trademark Office (copy enclosed).

5. Applicants filed a Change of Correspondence Address, which was received by the U.S. Patent and Trademark Office on February 15, 2002. Receipt of the Change of Correspondence Address was acknowledged in the postcard receipt bearing the PTO mailroom datestamp of February 15, 2002 (copy enclosed).

6. Since Applicants never received the Notice To File Corrected Application Papers, they never responded thereto before the due date for the response had expired.

7. In the course of conducting a routine check of the file, Applicants' attorney telephoned the Initial Patent Examination Division and was advised that a Notice To File Missing Parts had been mailed and was never responded thereto.

8. The entire delay in responding to the Notice To File Corrected Application Papers from the due date until the filing of this petition was unintentional.

RELIEF REQUESTED

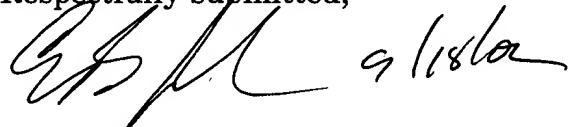

Applicants submit concurrently herewith a Response To Notice To File Corrected Application Papers and Conditional Petition For Extension of Time Under 37 CFR 1.136(A).

Applicants hereby petition the Commissioner for revival of this application and to forward the application for examination, since the application is now complete.

PETITION FEE

The Commissioner is hereby authorized to charge Deposit Account No. 50-1236 for any fees required by this petition, although it is believed that no fee is due, because the delay in forwarding this application for examination was not the fault of Applicants.

Respectfully submitted,
